Immunization Records

The Texas Department of Health requires children enrolling in public or private school or in a licensed, certified, or registered child-care facility to be up to date on their immunizations. This documentation is required by law so that certain disease outbreaks can be prevented or more easily controlled should they occur. Houston Home School Education Program is neither a private school nor a licensed child-care facility. However, as a precaution we do require that our students **include a copy of their immunization record** with this admissions application. If your child's immunizations are not up to date, or if you do not immunize, please include a written, signed and dated statement about your position.

Students will not be placed on the class roster until this Enrollment application and Student Profile is returned with the registration fee.

Family Commitment - As Parents we agree to the following:

We commit ourselves to avoiding all forms of gossip regarding members of Houston Home School Education Program, parents and students on and off campus. If we have a problem with an office staff member or teacher, we will, in love and humility, go directly to that person to work out the issue. If the issue/concern is not resolved, it is advised to go to someone in leadership who will act as a mediator.

We understand that yelling at or talking down to a child is not an appropriate way to discipline and will not be tolerated at HHSEP. If a child/ student is not responding respectfully to a teacher, he/she will be taken to the office and a parent will be notified.

We understand that, as parents, we are the primary teachers of our children. We will ensure that our children complete any work given by the teacher to the best of their abilities.

We have read and understand the dress code policy and Standard of Conduct and commit to upholding it throughout the entire year.

I, _____ agree with the terms of HHSEP registration.

This application must be completed in its entirety before student is accepted in to the Program.
